- Dispenser turns off automatically when opened
- LED light shows when battery charge is low
- Fully RoHS compliant, UL/CE registered
- More handwashes than your average 800ml liquid soap dispenser
- Approximately 30,000 uses from three standard C-size alkaline batteries
- Refills made with GOJO SMART-FLEX™ Technology, featuring lightweight, recyclable PET materials, using 30% less material than rigid HDPE bottles
- With each refill the integrated system turns the liquid into foam

GOJO Foam Soaps combine with the TFX Touch Free dispenser to create a powerful cleaning system. Air is infused into the soap as it's dispensed, creating a rich, luxurious lather.
