ADDED BENEFITS

- GOJO SANITARY SEALED™ refills are safe, smart and sustainable
- SAFE:** Factory-sealed refills reduce the threat of germs. Every new refill comes with a fresh nozzle, so there's no long-term exposure to the washroom environment.
- SMART:** The snap-in refill supports your customers' image of washroom cleanliness, reduces maintenance time and replacement costs and eliminates the hassle of refilling dispensers from a bulk fill bottle.
- SUSTAINABLE:** The SANITARY SEALED System is better for people and the planet. The recyclable refills use 30 % less material than traditional HDPE bottles and the system includes a range of products.
